Dear Cllrs.

Hopefully Covid regulations are positively changing and physical meetings will soon be possible. I have contacted all Village Halls & await the response from BxB VH about opening & availability.

- I suggest that Annual Parish Council Meeting is held at BxB VH, not least to accommodate the new Parish Councillor for his first meeting. Their Trustees were scheduled to meet last night & I will update PC asap. I am starting to set the agendas for both Annual Parish Council Meeting & subsequent PC Meeting. Under Standing Orders, please therefore let me have any motions which you wish to be part of the agenda.
- In the meantime and in order that I am delegated to deal with Internal Audit, it is necessary to continue to operate under Emergency Powers (which will need to be lifted at the start of any Physical Meeting) and therefore **may I ask for approval of the attached Emergency Powers 15.04.21?**
- For the past few years TSB Parish has carried out planting in each of the villages, with financial support (in Spring) from RVBC In Bloom Grant. **RVBC Grant applications close on 30 April 2021**

2018/19 planting cost £1200 & RVBC grant was £600 (For members' info, the planting has been approved as an amount per village, pots at Sawley VH, planting at BxB War Memorial Garden & pots at marker stones, carried out by Oaktrees Nursery, with planting outside Tosside VH carried out by Cllr. Fortune & volunteers.)

2019/20 planting cost £1166 & RVBC grant was £300

- **Therefore please can Members (if they wish) propose an application for any planting with an amount & grant I should apply for asap?**

I look forward to your responses, as soon as you are able.

Kind regards

Teresa Taylor

Parish Clerk
